MOBILITY NOTIFICATION TERNEUZEN

For the fifth time in the history of the Scheldeprijs, we cross the border to the Netherlands in order to start the 111th edition in Terneuzen. Before the riders reach the finish in Schoten, the race is disputed through the watery province of Zeeland. Anyone living in the vicinity of the center of Terneuzen can reach the starting zone best on foot and avoid searching for a parking place or a bicycle parking. In Terneuzen the starting zone is located near the Western Scheldt. The riders' quarter is located at Stadhuisplein (starting at 10:30am). The presentation of the teams and their riders takes place on the presentation stage at the Market Square of Terneuzen (from 11:30am).

## BY BIKE

A healthy and cheap way to reach the start area, is by bike.

The start zone is located along the Herengracht, located at a few minutes walking distance of the start area, there is a guarded and a free covered bicycle shed.

Especially for the start of the Scheldeprijs, extra “open air” bicycle shed will be realized with fences placed in line with the existing bicycle parking.
